## **New OIML Document *Guide to the application of ISO/IEC 17020 ...***

- Provides guidance and interpretations on the application of ISO/IEC 17020 to the assessment of competency of OIML IAs within the OIML-CS
- Final Draft has been submitted for approval (agenda item 14.1.6)

## **OIML-CS Operational and Procedural Documents**

- Have been revised and approved by the Management Committee
- New editions will be published in conjunction with the publication of the revised B 18 and the new Document

# Overview of the project to revise OIML B 18

## Summary of key changes

- Implementation of ISO/IEC 17020
- Implementation of the relevant clarifications and interpretations in CID-01 Edition 3
- further improvements based on practical experience of using OIML B 18
- full list of changes provided in Addendum 15.2a

## Process

- A 1WD revision developed and circulated to the MG for comment
- 1CD revision presented at the Seventh MC Meeting in March 2022. Feedback resulted in a 2CD revision being circulated to MG for comment
- No comments received on the 2CD so a Draft revision submitted to the MC for voting. MC approved the Draft revision:

17 Yes, 0 No and 0 Abstain

## Recommendation from the MC to the CIML

- Based on the MC approval of the Draft revision, the MC recommends that the CIML approves the Final Draft revision of OIML B 18 *Framework for the OIML Certification System (OIML-CS)*
- Marked and clean versions of the Final Draft revision of OIML B 18 are shown in Addendum 15.2b and Addendum 15.2c respectively. The result of the Management Committee vote, along with a summary of all of the comments received throughout the whole revision project, are shown in the information document Addendum 15.2d

*Note:* The marked version shows all of the changes that have been made when compared with the 2018 edition.
